

DAYLESFORD & HEPBURN SPRINGS TOWNSHIPS SURVEY

Hepburn Shire Council is developing Township Structure Plans for our five main townships - Clunes, Creswick, Daylesford and Hepburn Springs, Glenlyon and Trentham. The structure plans aim to protect and enhance the existing character of our townships and rural settlements and to guide appropriate growth and development into the future.

The structure plan for Daylesford and Hepburn Springs will seek to develop a shared vision that protects what we value, improves liveability, while empowering the community to thrive.

Town structure plans are being developed as part of our strategic planning project, Future Hepburn. Along with the structure plans, Future Hepburn will include shire-wide strategies, place-based projects specific to each of the townships and a range of technical studies and reviews.

The questions in this survey will inform the development of the Daylesford and Hepburn Springs Structure Plan. We want to know your ideas on housing, business and economic development, transport connectivity, neighbourhood character and urban design, environment, heritage and biodiversity.

There will be many opportunities to be involved as we develop the structure plan and Future Hepburn.

Thank you for your interest in this project. We want to hear from you! Have your say:

- Complete the **Daylesford & Hepburn Springs Townships Survey**. Allow 10-15 minutes.

NB: We recommend that you spend some time reading the 'Daylesford & Hepburn Springs Conversation Starter' to inform your answers. You can also complete the survey online at <https://participate.hepburn.vic.gov.au/future-hepburn>.

- Attend a **Community Conversations** event:

Monday 29 May - Daylesford, Victoria Park Pavilion, 4-6pm

Tuesday 30 May - Hepburn Springs, Hepburn Springs Recreation Reserve, 4-6pm
