

Trentham Community Hub

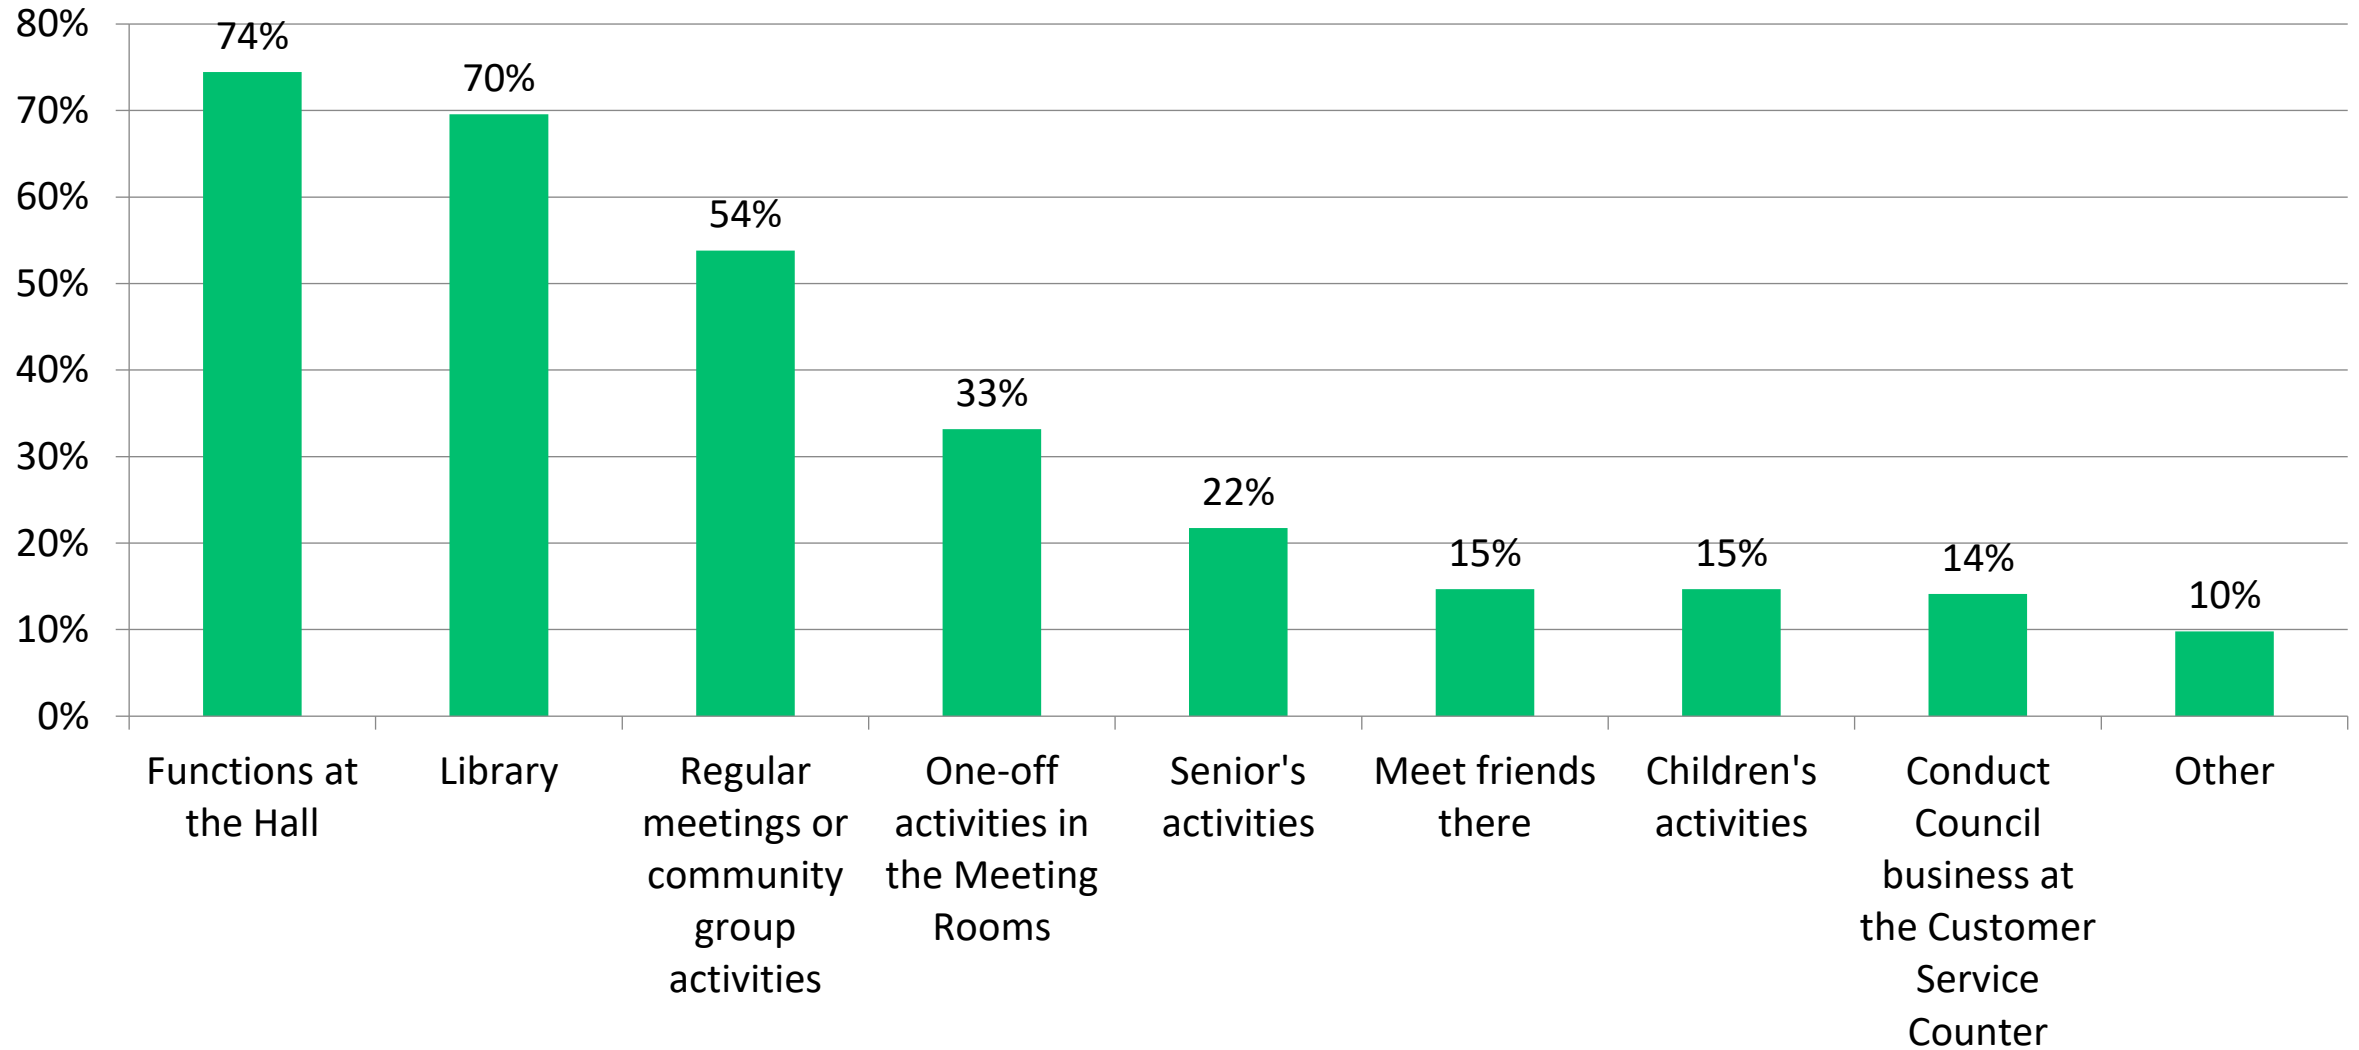

Consultation on Draft Concept Design

September 2020

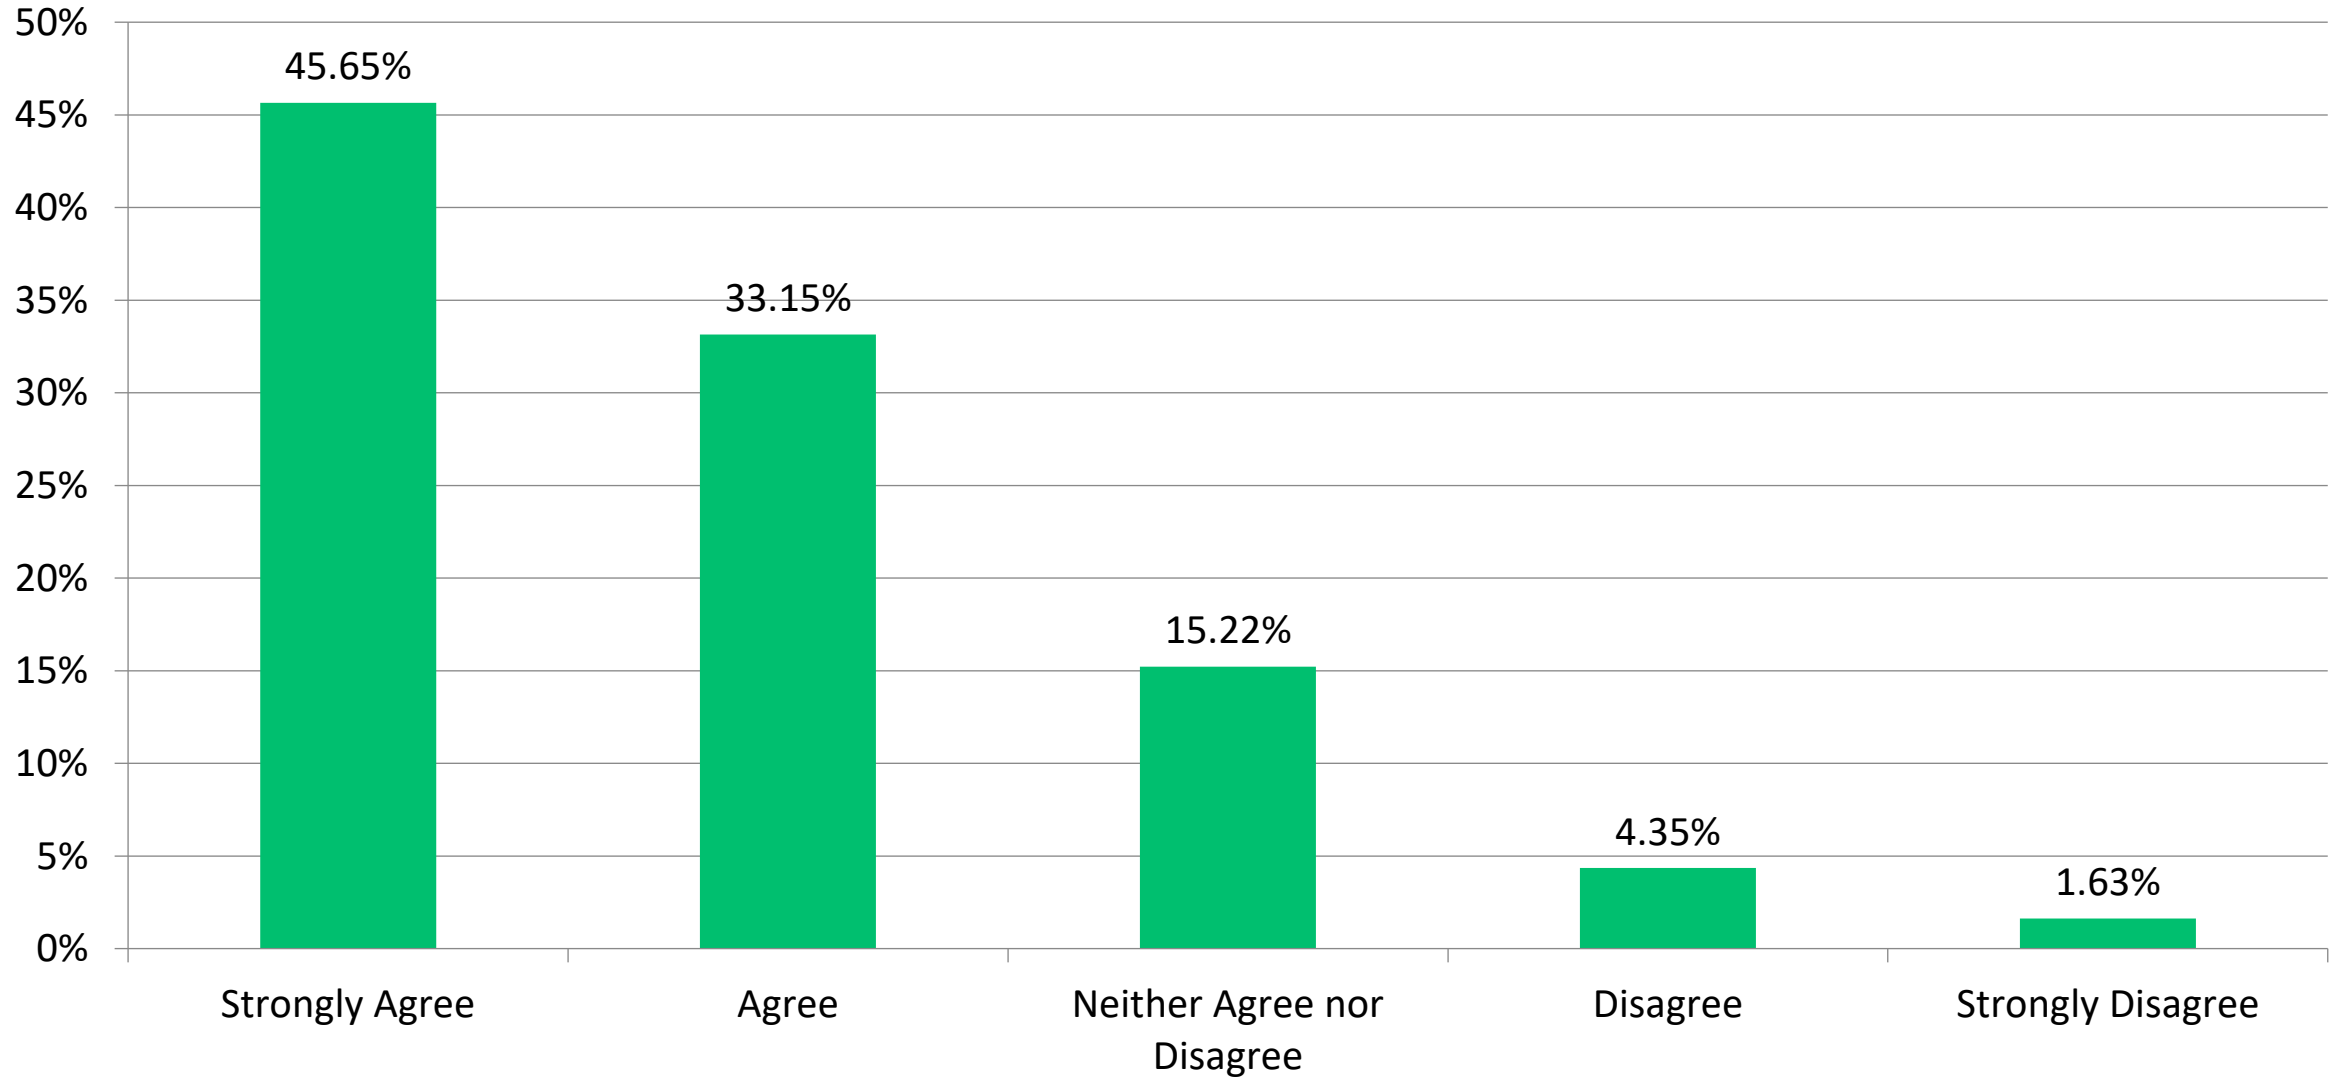

Results

- Total number of surveys completed: 184
- 7 hardcopy surveys completed
- Consultation open from 6/8/2020 to 4/9/2020

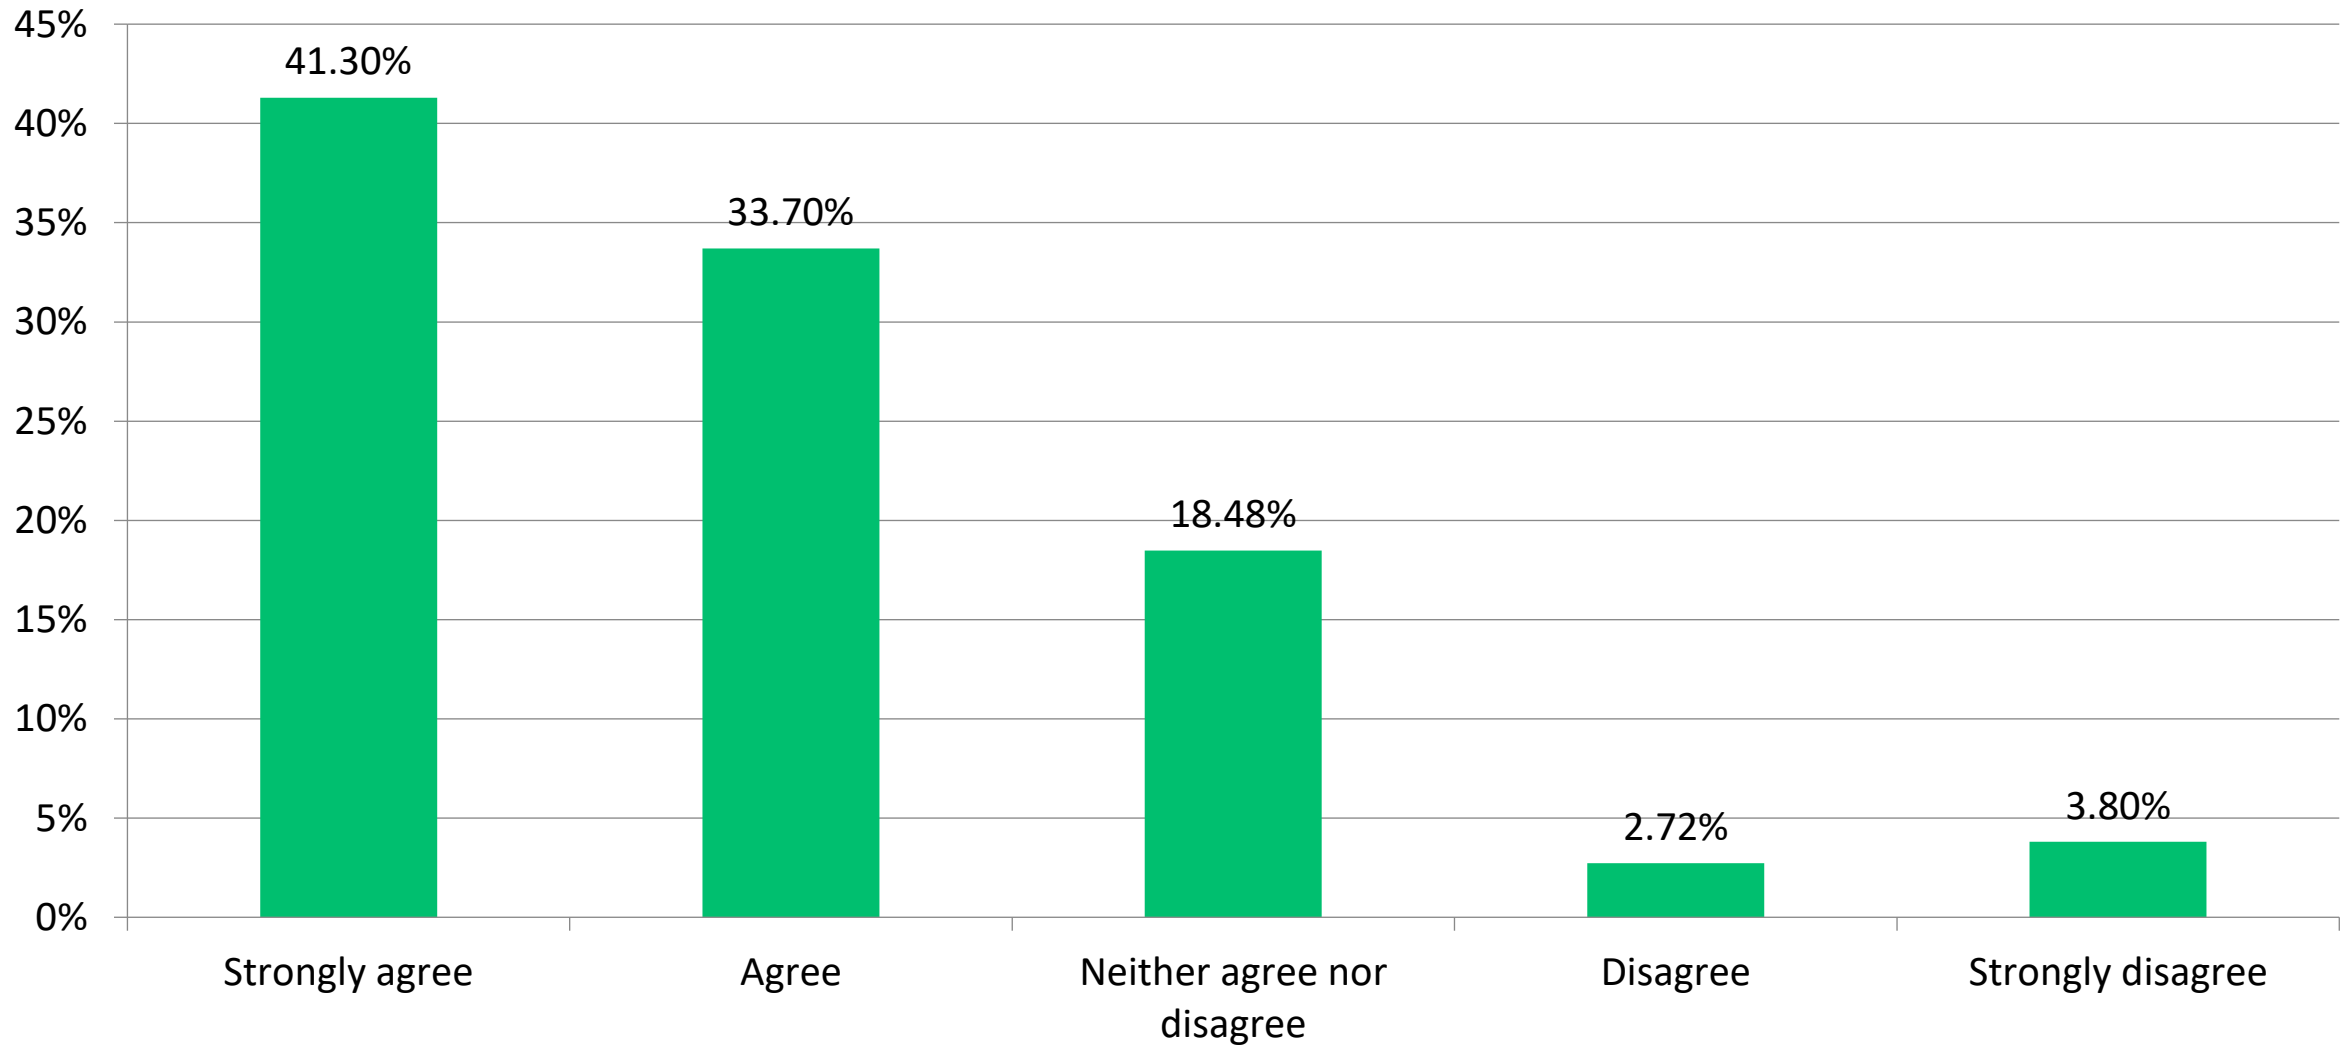

What are the top three reasons you will visit the Trentham Community Hub?

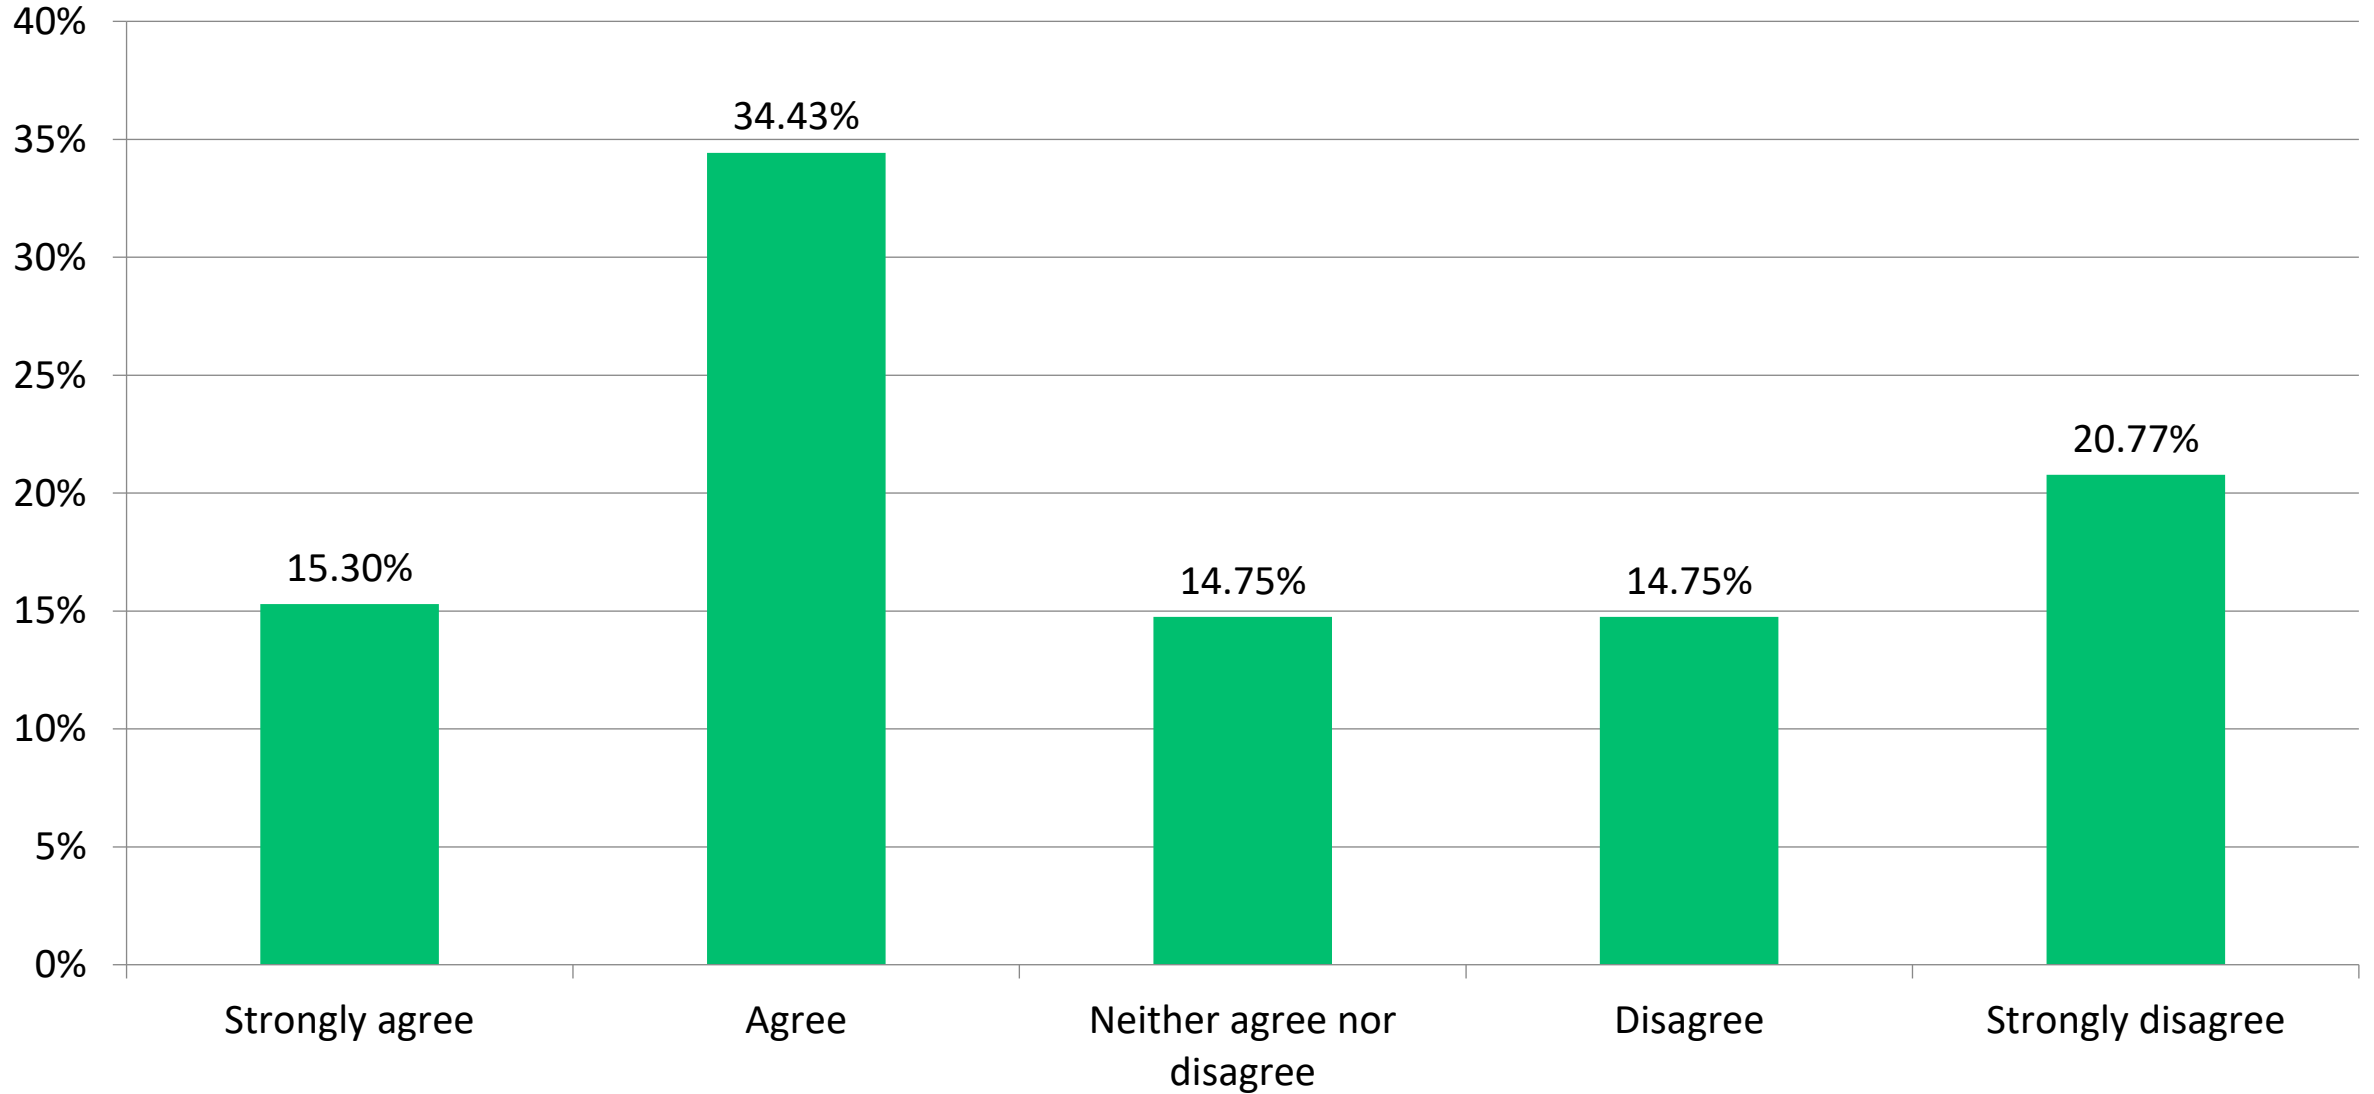

The new library will be a welcoming place that local families will enjoy.

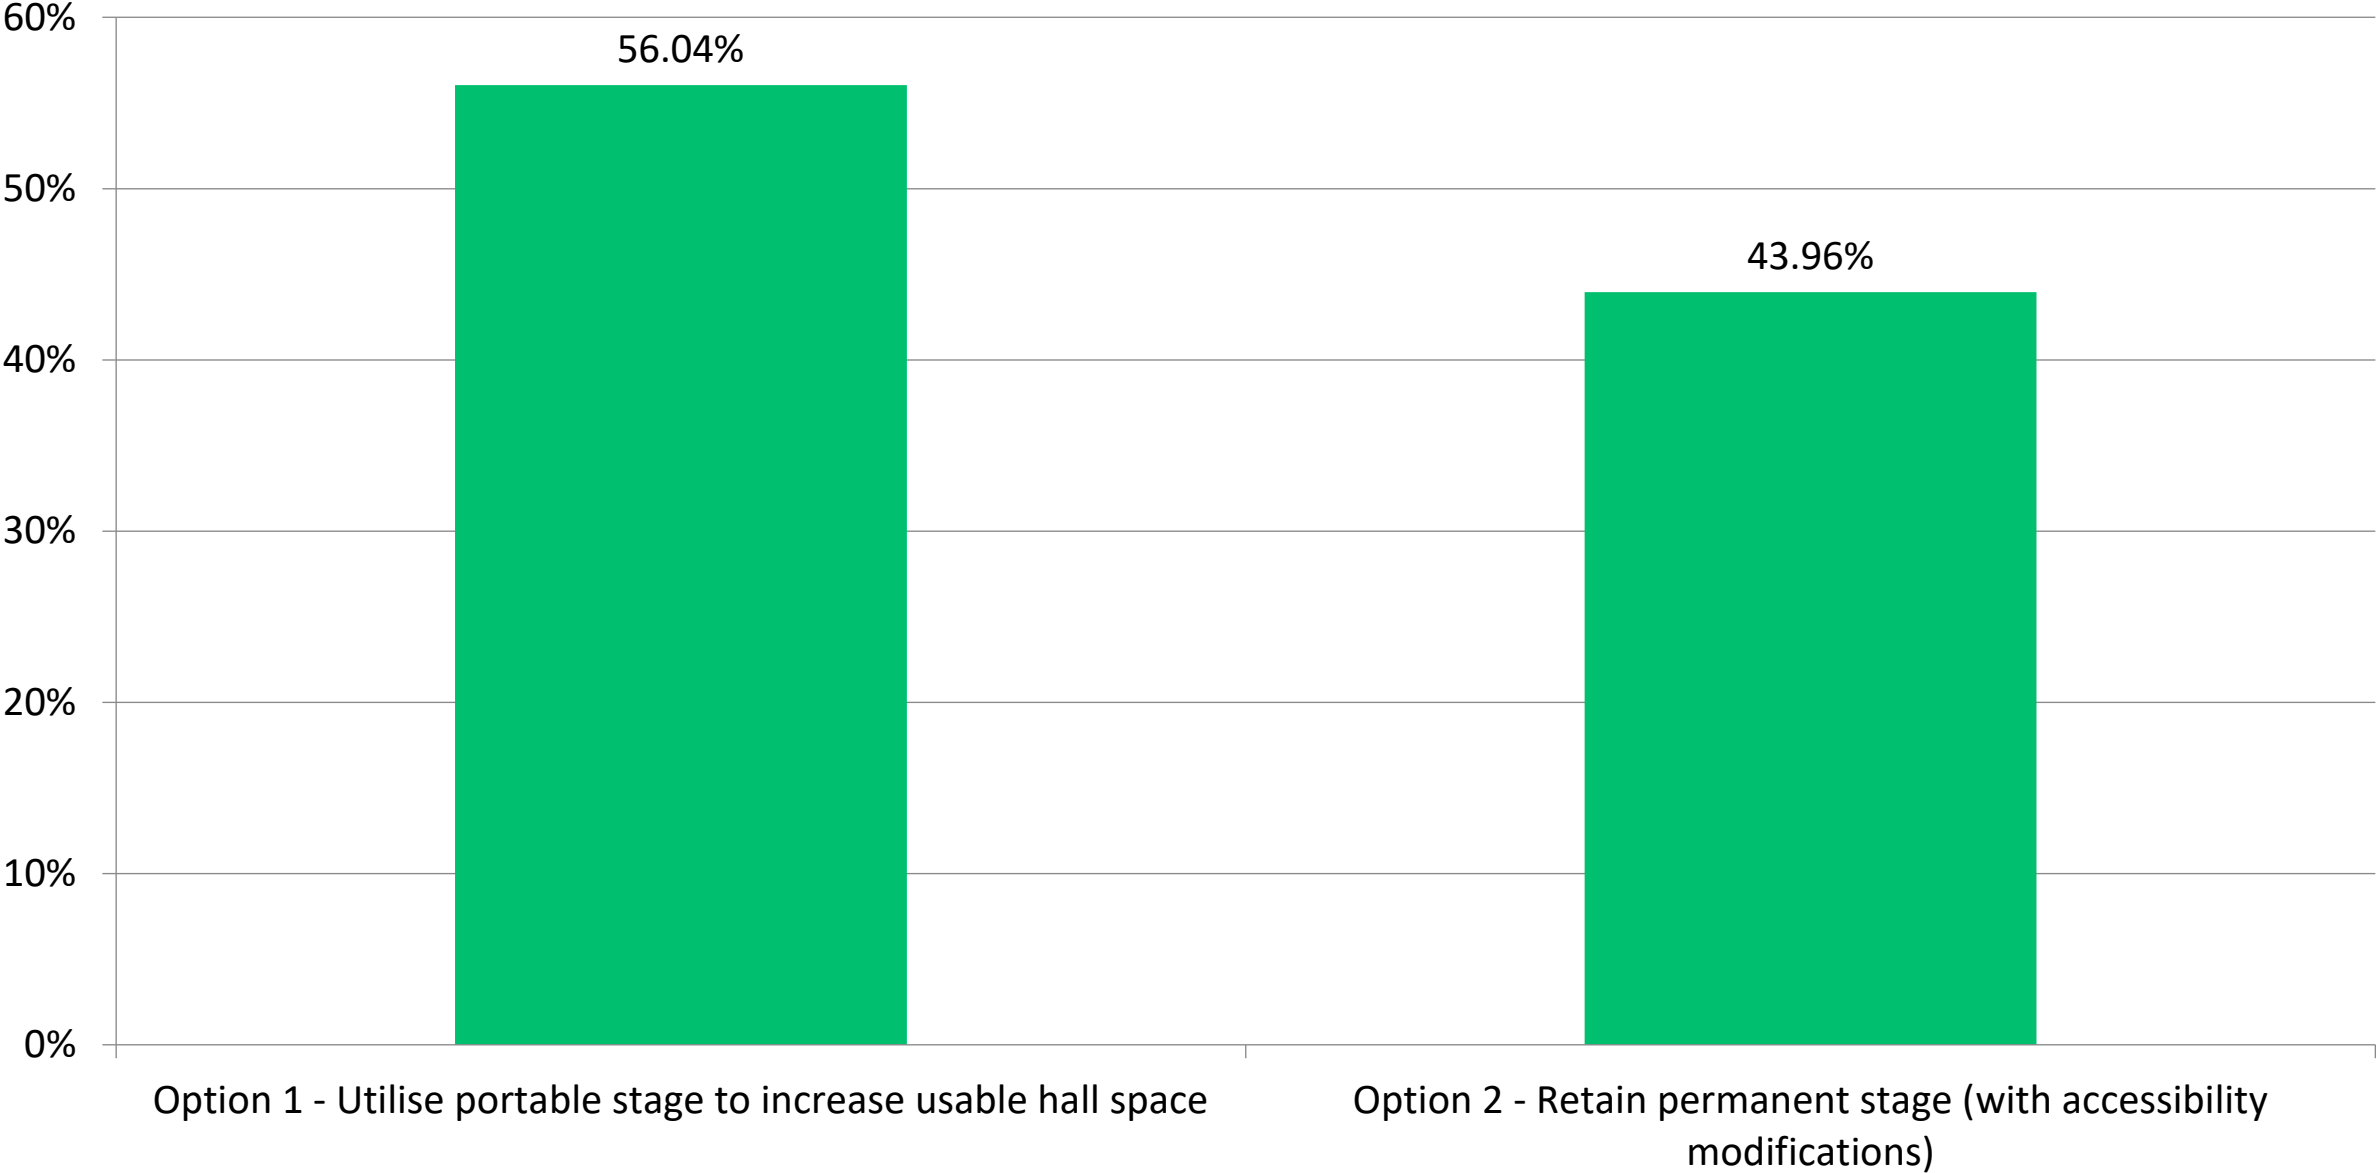

The new visitor information centre will be welcoming and informative for visitors.

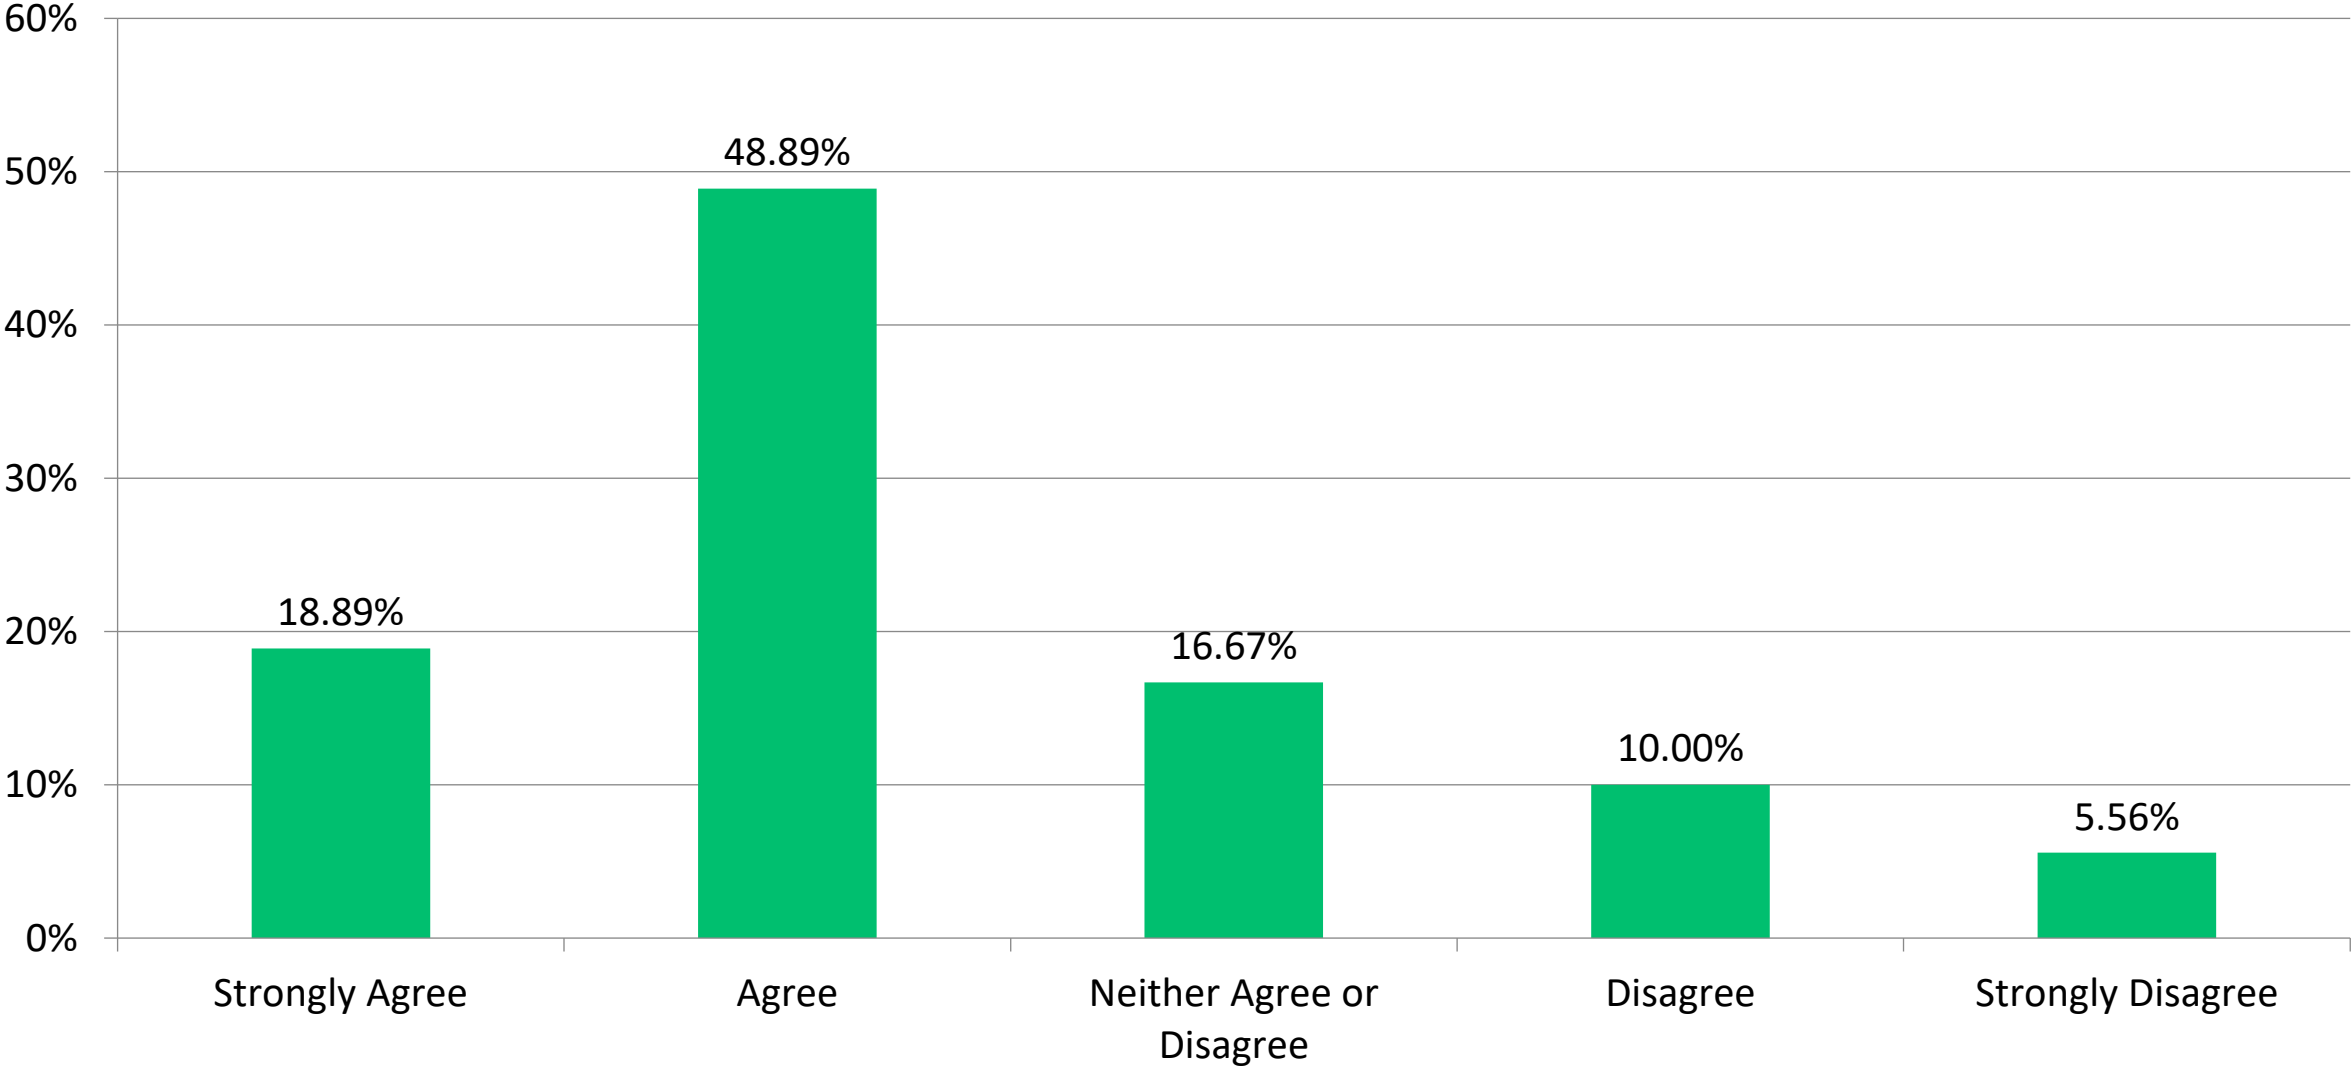

I think the hall in the concept design option 1 is large enough to cater for most community functions.

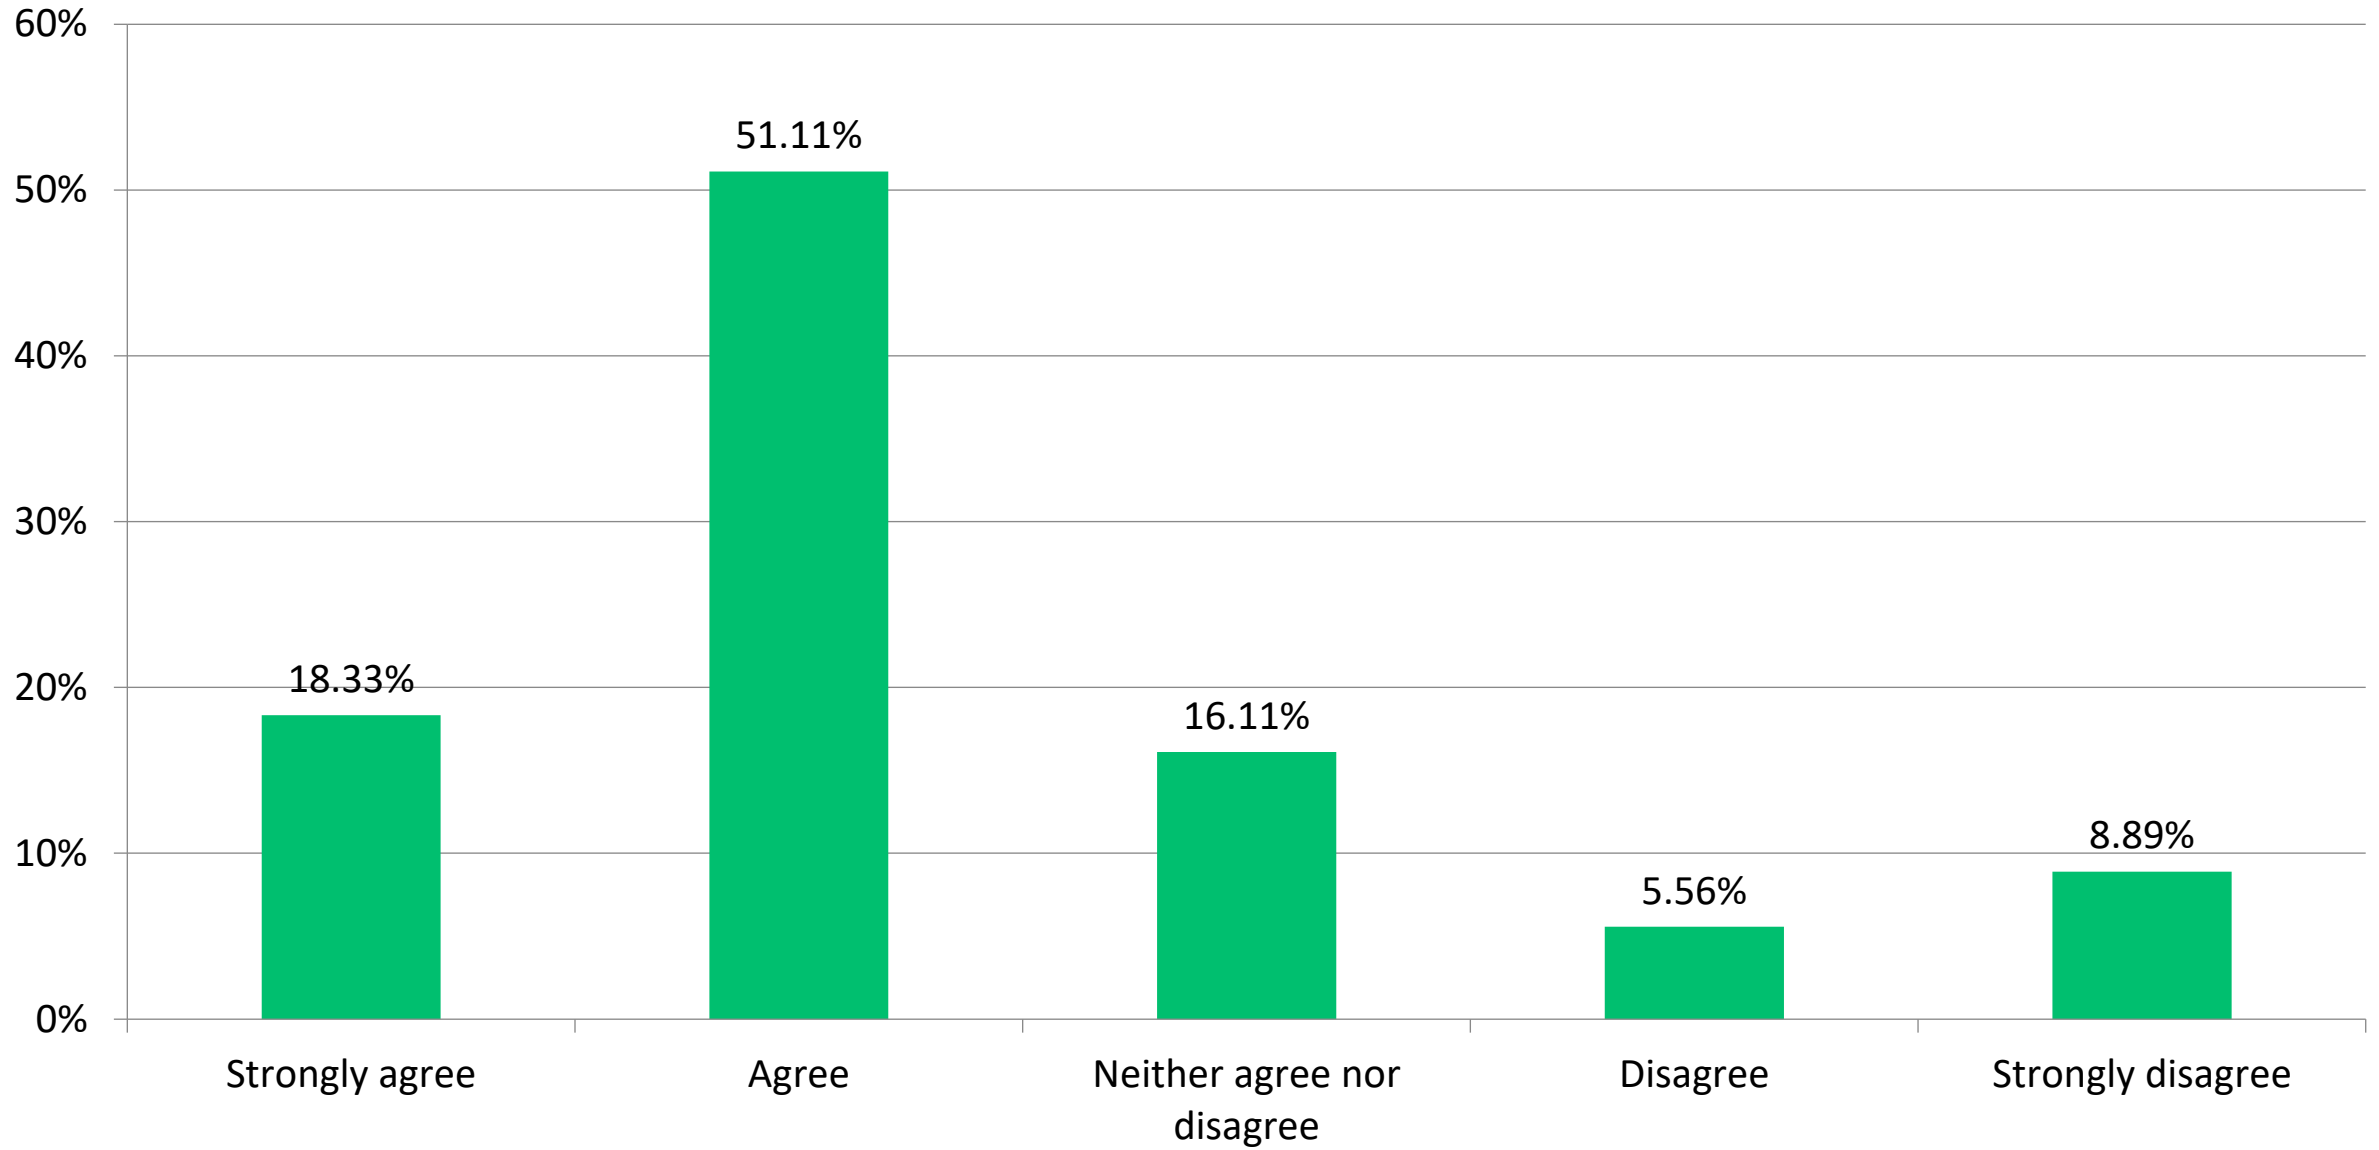

Do you prefer option 1 or 2?

The designs generally incorporate and showcase the original elements of the hall well.

The facade of the design is an appropriate scale and design style.

The palette of materials for the interior of the new parts of the building (shown on the mood board download) creates an attractive interior that fits the character of Trentham.
